Jacob Grey Custom guns are made to order and fit the gun aficionado who appreciates fine shooting, exquisite artistry, and flawless quality.

Jacob Grey Custom 1911s represent the confidence of personal empowerment—the ability to protect what matters most to you. But there is much more. Jacob Grey guns provide a high-end shooting experience unparalleled by a typical gun shop purchase. Choose your model, choose your finishes, choose your materials, choose your sight, and customize each part for a personal fit.

This customization is backed by aerospace industry equipment which machines each gun to unimaginably tight tolerances so Jacob Grey Custom 1911 parts never move or loosely clank against each other. Our high-caliber quality craftsmanship results in the precise fit of a masterpiece.

## The Heritage Model

The JGC *Heritage* personifies the freedom expressed in our Constitution. With a perfectly machined stainless steel or titanium frame topped with a beautifully crafted Damascus steel slide, the Heritage is the gun to pass on to generations to come. Adding your own customization in finishes makes the Heritage uniquely yours, reminding future generations of your vision of Second Amendment rights. Made with precision and pride by Americans for Americans.

## The Revolution Model

The spirit of the 1776 patriots is personified in the JGC .45 *Revolution*. Crafted with a frame of 416 stainless steel and a 4140 billet steel slide, it illustrates the fullest expression of your Second Amendment rights. Available with a chrome frame and your choice of slide finishes, no other gun on the market meets the standard set by this individually machined, hand assembled weapon of choice for proud Americans. Don't just start a revolution. Own one.

## The Justice Model

Pick up a JGC .45 ACP *Justice* and you will immediately appreciate the weight of the titanium frame balanced with the 4140 billet steel slide individually machined to the highest tolerances in the industry. Its features include hand assembled craftsmanship, superior accuracy, and a lighter weight, perfect even for smaller female hands. Because it is never made from cast or forged parts, completely American made, and individually customizable, owning anything less is an injustice.

## The Liberty Model

Strong 100% American billet steel, individually machined, and hand assembled, this model offers more value than any gun on the market. Available blued, nickel plated, chromed, or in more than 100 different Cerakote® color combinations, your **Liberty** can be a personal expression of your individuality. When you hold yours for the first time, you'll understand why nothing says American like "Liberty."

## The Patriot Model

Like the quiet spirit of nationalism that swells in times of adversity, the carry model *Patriot* delivers the quiet confidence of preparation. With a lightweight, forged aluminum frame, it is both easy to conceal and carry. Because it embodies all the craftsmanship of a JGC weapon, including more than 100 Cerakote® color options, it is a high-quality expression of your right to keep and bear arms. Add this affordable and practical addition to your collection. At a price point like this, everyone can enjoy Jacob Grey Custom quality.

The state-of-the-art luxury that is a Jacob Grey Custom gun is welcoming to both skilled marksmen and those who may not be as experienced. The ease of handling, smooth slide movement due to precision machining, and total customization are appropriate for everyone despite his or her level of experience. Our best fit custom design process is ideal for the smaller hands of a female shooter. No great strength is necessary to adjust the slide on any of our precisely designed models.

We have all the features you expect in a gun—safety, performance, and reliability—but top it off with features that delight you. Customize a JGC 1911 for yourself.\* You deserve a work of art.

We do not claim to be a gun for everyone. Jacob Grey Custom is only a gun for the discerning owner who appreciates the sensory experience of shooting a fine instrument.
